Women Who Ride Conga III

Join the 3rd annual CONGA LINE July 7-10th, 2010

Please help the fight against breast cancer by riding with or sponsoring the **3rd annual Women Who Ride (WWR) Conga Line**. A Conga Line is merely a group of bikers that ride with each other and 'Go With The Flo' from state to state or province to province while raising money in **support of Breast Cancer Research**.

Riders will be in their Royal Pinkness and will be collecting donations for the cause all along the routes. *Last year we raised \$12,000, and this year the goal is to double that amount.*

Grab your friends and start organizing your own Conga Line from your area or join existing Conga Line. Everyone is welcome so spread the word!

Conga lines will be coming from all points across the USA to meet the Canadians in Cheyenne, Wyoming on July 7, thru July 10, 2010. All riders are welcome. Join at any point along a route or make your own routes and meet us in Cheyenne, Wyoming July 7th, 2010. **For more information and or to register visit or site gowiththeflo.org**
